Sir,

Subject: Encroachment of 0-15-0 G in F.S.No. 58 A of Muttamurdu in Siddapur Taluka by Shri G.M.Hegde.. Regularisation of..

In submitting herewith the papers of the case resting with Siddapur Tahsildar's endorsement No.FOR/SR/ P.242 384 dated 21-9-1961, I have to state as under:-

For.SR.1127

One Shri Ganesh Mahabla Hegde of Muttamurdu village in Siddapur Taluk has encroached upon an area of 0-15-0 G in F.S.No.58 A of the same village by constructing a cement concrete cattle shed and servants' quarters and by raising fruit trees etc.The encroachment is reported to have commenced in the year 1948-49. Enquiry made reveals that the encroacher is holding lands as below:-

Tari..	9-36-0)	A.G.A
Bagayat..	4- 1-0)	= 34-13-4 in terms
Khuski	6-18-0)	of khuski

The Forest Departmentwas not in favour of grant of the site at the outset and so the encroachers request for grant of the site had to be refused. But on a second representation made by the encroacher the D.F.O.E.D.Kanara has recommended regularisation of the encroachment in favour of the encroacher as a special case (Vide Page 223).The Tahsildar of Siddapur has proposed for regularisation of the encroachment by amalgamating the area with the adjacent Malki S.No.58 B held by the encroacher on new tenure (Vide page 231). The Assistant Commissioner,Sirsi Division Sirsi has endorsed the views of the Tahsildar.

Government Resolution, A. & F.D.No.FDM-1054 dated 28-1-1955 does not permit disforestment of forest

land in favour of individuals for purposes other than cultivation. Similarly, the land encroached upon is not a betta land and so the orders in G.O.No.AFD-6 MRP-58 dated 19-5-1958 will not be applicable to this case. But in view of the hardships likely to be caused to the encroacher, Government may kindly be moved to disforest the area encroached upon and grant it to the applicant on the same tenure on which the encroacher holds his adjoining malki S.No.58 B after amalgamating with it after recovery of penal accupancy price of Rs.5/- five only per guntha from the encroacher as a special case in view of the concurrence of the Forest Department.

Yours faithfully,

2. The encroachment in this case is reported to be a long standing one (i.e. commenced in the year 1948.49). From the Panchanama at page 155 ante it is seen that the delinquent will be put to a loss to the tune of Rs 1500/- if he is evicted from the land. The Forest Department have no objection to regularise the encroachment. Hence, in the circumstances reported by the Deputy Commissioner N.Kanara, sanction may kindly be accorded to disforest the encroached area of 15 Gunthas out of F.S.No.58.A of Muttu-murudu village for grant to the encroacher after amalgamating the same with the adjoining malki S.No.58.B on recovery of the penal occupancy price at Rs 5/- per guntha.

3. The connected papers may kindly be returned to the Deputy Commissioner N.Kanara when done with.

Ref:-Your letter No.AFD 230 FAF 61 dated 1-12-1961.

As pointed out by the Deputy Commissioner, Kanara in his letter No.LND III-6-SR 246 of 10-1-1961 the encroachment cannot be regularised. However, the encroacher is reported to have constructed a cement concrete shed and raised cashew plantation in the encroached area at great cost and the encroachment was done as far/~~back~~ as in the year 1948-49. In the circumstances there is no objection to disforest the area in question as a special case.

Reference: Your No.B-3-384-CFL-2072/61 dated 19-12-1961.

2. The De-puty Commissioner Kanara has in his No.LND-III-S-SR 246 of 10-11-1961 has clarified the implications of the present Government Orders according to which the encroachment can not be regularised. The points for consideration are that the encroacher has constructed a cement concrete shed and raised cashew nut plantation in the area encroached Viz. 15 Gunthas at great cost and the encroachment was done as back as in the year 1948-49. The Divisional Forest Officer has after considering the Government orders has recommended its regularisation as a special case. Kindly vide Divisional Forest Officer, E.D.Kanara's No.FOP/CFL/LND/42 dated 18-10-1960 at page 223. The encroacher holds an area of A-34-G-13-A 4 in terms of Khuski land which is within the present economic holdings as reported by the Tahasildar Siddappur in his letter No.FOP/SR-384 of 21-9-61 (page 242). In view of above I feel that no alternative has been left now but to disforest the same and in the circumstances, I have no objection to the proposed disforestment.
